

Resolution No.

Page 1 of 1

**Commitment to increase the number of lodges  
and promote the health of existing lodges**

WHEREAS, the Chinese American Citizens Alliance has seen the benefits of adding new lodges in recent years; and

WHEREAS, growing new lodges is vital to the health of the Alliance; and

WHEREAS, promoting the health of existing lodges is equally vital to the wellbeing of the Alliance.

THEREFORE BE IT RESOLVED that the Board of Grand Officers shall create immediately a strategic plan for national support of new lodge development

Further be it resolve that this strategic plan shall also address ways to promote the health of existing lodges so that all the lodges will thrive and increase in its membership, programs, and services according to the principles and purpose of the Alliance.
